

## **Summer Sessions 2009 Financial Aid Information**

Financial aid will be available for the 2009 Summer sessions for classified students enrolled at least half-time (6 credit hours for undergraduate students or 3 credit hours for graduate/professional students). Aid for the summer is generally limited to Federal Student Loans and Federal Pell Grants. Under certain conditions, Pell Grant recipients may be enrolled less than half-time. To apply for Summer aid, you must have completed the 2008-2009 Free Application for Federal Student Aid (FAFSA).

Aid for the summer will be based upon the number of hours and the terms for which you have registered. Any changes to your summer registration will cause a change to your financial aid award and a possible delay in the receipt of your financial aid funds. You must inform the Financial Aid Office of any enrollment changes you make.

Please indicate below the Summer 2009 sessions you will be attending and the number of credit hours you will be taking.
